Early Years Single Funding Formula

The Early Years Single Funding Formula entitles every 3 year old to 15 hours of free nursery education a week for 38 weeks a year (570 hours per year) , but you can choose to take fewer hours over more weeks.

Eligibility for EYFS funding is from the term AFTER your child's 3rd birthday.

From September 2017, you may be able to get up to 30 hours free childcare (1,140 hours per year, which you can choose how you take). You must check the Government website (Web address below) to determine if you are eligible for the extra hours.

If you are eligible you will need to register (again using the website address provided) to be allocated a "voucher no" which must be registered with this nursery before any extra hours can be sanctioned.
